*New Colors and New Patterns for  
April High Point Market.*

This market we'll introduce new **Sunbrella** patterns, upholstery frames and fresh color directions: *Blues, Greens* and soft, dusty *Pinks*.

This **color** combination may look very "**Palm Beach**" or "**Greenwich, Connecticut**" but it is a delightful new direction for the

**Sunbrella, Joe Ruggiero Collection** available at **Miles Talbott**. The new patterns are now available as part of the hundreds of **Sunbrella** patterns available exclusively at **Miles Talbott**. We just can not wait for Spring to show you these colors; so *ask now* for the **Spring 2011, Joe Ruggiero Collection**.
