

# JR/News

*The New **Mesa Chair** makes a big impact as it begins to hit the market place. This new “clean line” will lead the way for more products to be introduced this October.*

The new looks for the **JOE** group were well received. These additions will expand the **Joe Ruggiero Collection** and will be a great addition to the traditional frames like the **Germaine Chair** (*upper right*) which is

elegantly French as well as many of the current sofas and chairs in the collection. This “mix” is a signature look for Joe Ruggiero.

-----  
**THE SLOANE CHAIR**

This graceful chair was inspired by the chairs that were used in the 1920s luxury liners that crossed the Atlantic Ocean. Traditionally these lounge chairs were used in the salons of the

-----  
 beautifully appointed ships that were the fashionable way of traveling during this period of time. A time remembered as true **elegant travel.**
