Color “Pops” With JOE!

Look for bright colors with the new introductions

Paprika will be the lead color for a new “fashion forward” collection of **Joe Ruggiero/Sunbrella** fabrics. The new design group also features Upholstery from **Miles Talbott** and multi-purpose case goods from **Gat Creek**. Many

geometrics, textures, and bold stripes will become part of this design group destined to become popular with families that want a “**fresh new approach**” to decorating their interiors. The collection is also perfect for kid and pet friendly homes.

A Fresh New Look!

Designer **Joe Ruggiero** felt it was time to introduce a **fresh new design group** to his main collection to appeal to consumers looking for a new attitude in decorating.

JOE RUGGIERO CONTINUES TO TRAVEL THE COUNTRY TO TELL HIS DESIGN STORY

A select group of Scottsdale’s top designers were invited to a **Valentine’s Luncheon** at the Inside/Out showroom in the Arizona Design Center. “We wanted to present the new **America’s Heritage Collection** in a land that is filled with Native American Artisans and also share some of the new designs and colors we will be introducing at the High Point International Furniture Market this April, 2013.” stated **Joe**
