New Showroom Debuts! @The MT/Company

Las Vegas! We were happy to see new and familiar faces at the new showroom. A collaboration with **Charleston Forge & The MT/Company**, this show works well for West Coast Designers & Retailers & we were happy to see terrific traffic. The fabric

“Signature” (*pictured left*) received a new audience. “This fabric is part of my collection for **Sunbrella** & was introduced in 2010 to mark the Tenth Year Anniversary of the Joe Ruggiero Collection. It is indeed my signature enlarged many times so that each furniture piece is unique.” *States Joe.*
