Ruggiero Brings World Inspirations To The MT Company!

Ruggiero brought “true elegance” to the **MT Company Showroom** with a Paris-inspired vignette (*photo above*) filled with architectural elements and serene neutrals. Flattering light celadon “sea” tones are showcased in the **New** deep-seated **Colette Sofa** upholstered in **Boss Tweed/Storm** and flanked by the Sloane

chair in **Blur II/Linen** and the Bella Chair in **Harris/Parchment**; all part of the **Sunbrella Fabric Collections**. (*above left fabric Kuno/Meadow*) “My travels bring a unique perspective to my collections of **Sunbrella** Fabrics,” Ruggiero stated. “With a global aesthetic, my fabrics allow homeowners to create spaces that

inspire, including luxurious textures creatively classic designs, and the performance characteristics **Sunbrella** is known for - fade proof, easy care and bleach cleanability.” (*Pictured far left*) Ruggiero’s affinity for Metro design showcases **Gat Creek**, Made in America wood pieces in “True White” painted finishes.
